Subject: Pending EXFOR retransmissions

Please find attached a reminder as to which EXFOR entries are still pending for retransmission.

When mistakes are found in TRANS tapes, retransmission is requested for those cases where the correction to be done is not obvious. According to our records, requests for retransmission remained without response for the EXFOR entries listed. May we ask each center to review this list, update the listed entries and retransmit them.

Note that the EXFOR files are seriously incomplete without retransmission of these entries. Therefore, requests for correction and retransmission should be fulfilled with high priority.
