

Memo CP-D/235

Subject: TRANS M015 found

In memo CP/D/233 I asked for transmission of TRANS-M015. While it is true that we never received this TRANS tape as a transmission from CDFE, we now received it from NEA-DB and found that the entries of this TRANS were included on our VAX-CSIRS file as we obtained it from NNDC. (It must have been transmitted to the other centres in 1991.) Therefore no further action is needed now.
