Memo CP-E/012

Date: October 15, 2002
To: Distribution
From: KATO Kiyoshi and OTUKA Naohiko
Subject: Dictionary 3 (Institutes) and Dictionary 27 (Nuclides)

1. New code and correction of extension for institute codes

- (1) We propose one new institute code for Saitama University.
- (2) The code for Bangladesh, 3BANBAN has extension "Bangla Desh" but this extension should be corrected:

Dictionary 3 (Institutes)

2JPNSAI	Saitama University, Urawa, Saitama
3BANBAN	Bangladesh

2. Neutron rich Beryllium used as projectile

We are compiling an experiment which studies $^{10}\text{Be}+p$ and $^{12}\text{Be}+p$ reactions at 59.2 and 53.8 MeV/A, respectively (H. Iwasaki et al., Phys. Lett. **B481** (2000) 7). The secondary beam of ^{10}Be was produced at RIKEN Ring Cyclotron facility. We propose to put flag 2 at column 14 for this nucleus in Dictionary 27.

Dictionary 27 (Nuclides)

4-BE-10 Flag 2 at column 14
