MEMO CP-N/26

DATE: 10 March 2004
TO: Distribution
FROM: M. A. Kellett
SUBJECT: Email address changes for the NEA (EXFOR and CINDA)

Dear All,

As most of you are aware I finished my NEA functions at the end of September 2003 and so am no longer officially the NEA contact for CINDA and EXFOR matters. However I am following the CINDA-2001 conversion on a personal basis.

Hence I ask that you use one of the following two email addresses:

exfor@nea.fr or cinda@nea.fr

for all future correspondence and data exchange notifications as appropriate. Otto has already added exfor@nea.fr to the NDS Memo Distribution List.

Please note that I continue to work within the NEA offices for the current time, as I am now working on the JEFF-3 Radioactive Decay Data Library production, and so my current email address is still active for the time being for other communications. Also, until my replacement arrives, I periodically check the two email addresses given above.

Kind regards and may the NRDC continue to flourish,

Mark
