**MEMO CP-N/43 Rev.1**

**DATE:** 21 March 2006  
**TO:** See distribution list below  
**FROM:** H. Henriksson  
**SUBJECT:** New institute codes for dictionary 3

The name of the Research centre in Karlsruhe, Germany is Forschungszentrum Karlsruhe, FZK, as has been pointed out earlier in comments to EXFOR works performed there. I therefore finally suggest not making a new code but changing the description of the old KFK code:

2GERKFK        "Forschungszentrum Karlsruhe" for dictionary 3

Similarly, I also suggest to change the Research Centre Jülich code 2GERJUL (Kernforschungsanlage Juelich) to

2GERJUL        "Forschungszentrum Jülich"

The name change was done already 1995 as I understand it, and therefore, it would be very difficult to update, change and transmit all EXFOR entries with the two codes above.

Best regards,  
Hans Henriksson
