**Memo CP-C/337**

**DATE:** February 23, 2004  
**TO:** Distribution  
**FROM:** V. McLane  
**SUBJECT:** Systematic uncertainty code.

Even though I have been agreeing to add the various error headings proposed, I think very few of them are needed in coded form. However, it would be useful to have a heading for the total systematic uncertainty. Therefore I propose to add a heading ERR-SYS to Dictionary 24.

Please add to Dictionary 24 (Data headings)

ERR-SYS     Total systematic uncertainty.
