MEMO CP-N/22

DATE: 9 July 2002
TO: Distribution
FROM: M. A. Kellett
SUBJECT: Addition to Dictionary 003

Dear All,

Please note the following Dictionary 003 additions:

2ITYLGS Laboratori Nazionali del Gran Sasso, Istituto Nazionale di Fisica Nucleare, Assergi (L'Aquila), Italy

2ITYFSN Facoltà di Scienze Ambientali, Seconda Università degli studi di Napoli (Caserta), Napoli, Italy

and the improved definition for the following code:

2ITYNAP Dipartimento di Scienze Fisiche, Universita di Napoli "Federico II," Napoli, Italy

The two codes, **2ITYFSN** and **2ITYNAP**, relate to two different universities in Naples. Also note that the **Seconda Università degli studi di Napoli** is spread across a number of separate campuses, but that the **Facoltà di Scienze Ambientali** is based just outside Naples at the Caserta campus, hence the inclusion of Caserta in the definition.

Kind Regards,

Mark
